General Information

TIME – Sale will be held at the Thorp Metz Farm, Williamsville, Illinois, on Tuesday, November 5, starting promptly at 12:00 o'clock noon, Central Standard Time.

LOCATION – The Metz Farm is located one mile southeast of Williamsville on a good graveled road. The farm is 15 miles north of Springfield, Illinois, and 15 miles south of Lincoln, Illinois. Excellent train connections from Springfield to Chicago and St. Louis. Frequent bus transportation in every direction. Springfield is on main air travel routes and there are airports at both Springfield and Lincoln.

LUNCH – Lunch will be served at the farm by the ladies of the church.

HEADQUARTERS – Since this sale is to be held on Tuesday, November 5, and most visitors will want to spend Monday at Leveldale Farms, we will use the same headquarters. The Mathers Sale will be held at Leveldale Farms, Mason City, Illinois, on Monday, November 4th. The two farms are only 30 miles apart and we will be glad to provide transportation between farms or to and from the hotels. Most guests from a distance will stay at either the Abraham Lincoln Hotel in Springfield or the Lincoln Hotel in Lincoln, Illinois. Reservations may be made direct or we will be glad to make them for you if you will advise us.

MAIL BIDS – Those wishing to buy at this sale, who cannot attend in person, may send their bids to the following reliable agents: Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois; Don Longley, fieldman, The Shorthorn World, 16 S. Locust St., Aurora, Illinois; Darrel Oberholt, The Drovers Journal, Chicago, Illinois; Allan C. Atlason, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago 9, Illinois; or to the auctioneers.

AUCTIONEERS – C. D. Swaffar, J. E. Halsey, H. P. Miller and Vern Dragoo.

SALE MANAGER – Hal Longley, 16 S. Locust St., Aurora, Illinois.

Please Bring this Catalog with You!

To reduce the size of our herd we are dipping into the females that have never before been priced. Here are four great cows that sell in this sale. From left to right: Augusta M (Lot 42), Flora A (Lot 44), Brawith Betty (Lot 32) and Eliza Mary (Lot 29). All are descended from the strongest imported ancestry.

A Word From the Sale Manager

Here is a sale that deserves the careful attention of breeders who are interested in choice individuals that are backed by richest imported bloodlines. It should be understood that Thorp Metz is not going out of the Shorthorn business, but a change in farming operations makes necessary a drastic reduction in the size of the herd. After 46 lots are set aside for this sale, 25 beautiful females, mostly imported females or heifers out of imported dams, will remain as the nucleus of the new herd. Those who are familiar with the Metz herd are aware that the choicest imported females, rich in A. J. Marshall and Calrossie breeding, went into the foundation. The Metz consignment to this sale will contain 9 bulls, 28 cows either heavy in calf or with calves at foot, 5 bred heifers and 4 open heifers.

Having owned herd bulls in partnership and with similar bloodlines, it is only natural that a consignment from **Lomar Farms** should be included. This great herd, located at Sharpsburg, Illinois, and owned by Black & Miller, will consign 15 richly bred females to this sale, nearly all daughters of Imp. Cromleybank Ben Lomond and the International grand champion Kelburn Banker Royal.

This is a sale for those who are looking ahead and who appreciate the opportunity to acquire the blood of Scotland's greatest herds without the terrific expense of going to Scotland to buy it. Seldom does one see a catalog so completely filled with imported blood. Yes . . . this is an important sale . . . one you should not miss.

Hal Longley of The Shorthorn World

THE RICH IMPORTED BLOODLINES IN THIS SALE

Three more beautiful females, all backed by rich A. J. Marshall breeding. From left to right: Eliza Mary Margaret (Lot 30), Orange Bess Ann (Lot 12) and Ashbourne Clipper M (Lot 37). This sale affords unusual buying opportunities.

Welcome to Metz Farm

Although I shall be glad to welcome each and every one of you to my farm on November 5th, it is with great regret that I find it necessary to part with such a large part of my herd. Most of you will recall that the very choicest females were purchased for the foundation of the Metz Farm Herd. Over the years we have sold only a very limited number of the female productions, always retaining a select group for replacement purposes. The herd has grown and under my present farming program, I cannot maintain it at its present size. I do not intend to retire from the Shorthorn business. Following this semi-dispersion, I will be left with approximately 25 females, members of the same dependable imported families that are represented in this sale.

It has been a wonderful experience to produce Shorthorns of such rich imported ancestry, and a great satisfaction to receive fine reports from those who have bought them. Elsewhere in this catalog is a list of those who have patronized our herd. I am proud of this list, and pleased that the herd productions have contributed something to the breed.

I do not care to praise my own cattle. In urging you to come to this sale, I can only say that I am offering cattle that I had fully intended to keep and that would not be available under other conditions. I have great faith in these cattle, and am offering them with full breeding guarantees.

Thorp Metz

THE METZ KIND

Three beautiful daughters of Elvin's Heir produced in the Metz Farm herd . . . Augusta Maiden, Glory Bess and Eliza Ann. These were sold to critical buyers in former sales. Half brothers and sisters will sell in this sale.

... VERY IMPORTANT DATES ...

WANT TO MAKE AN INTERESTING TRIP – a trip that will be filled to the brim with pleasure and profit? Then follow this itinerary:

SUNDAY, NOVEMBER 3

This is a day for study and inspection. The Mathers Farm and Metz Farm are only 30 miles apart, and you can easily inspect the two breeding herds and the two sale offerings in one day. We will supply transportation between farms to those who do not have cars.

MONDAY, NOVEMBER 4

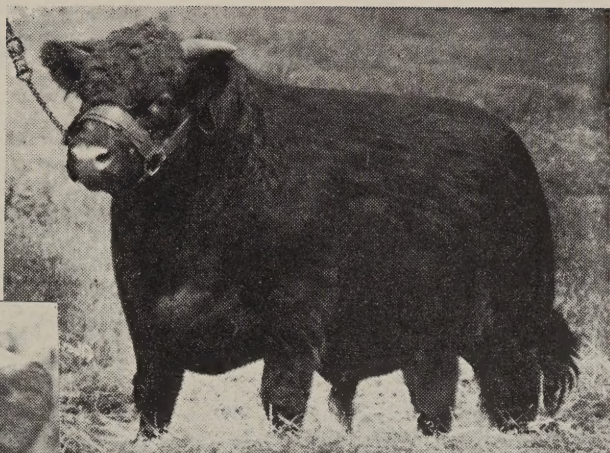

Attend the Mathers Sale at Leveldale Farm, Mason City, Illinois.

TUESDAY, NOVEMBER 5

Attend the Metz-LoMar Sale at Metz Farm, Williamsville, Illinois.

If you prefer to stay in Springfield (15 miles from Metz Farm) we suggest the Abraham Lincoln Hotel. The town of Lincoln, Illinois, is midway between Metz Farm and Leveldale Farm. The Lincoln Hotel at Lincoln is a favorite spot for visiting cattlemen, and there are a number of excellent motels on the outskirts of Lincoln. We will be glad to make reservations for you if you will advise the kind of accommodations you want and the number of persons in your party. Write Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

(Right) — M F ELVIN'S TYPE. At \$1,050 he was the top selling bull of a former sale at Metz Farm. He was purchased by O. H. Deason & Sons, Ft. Cobb, Oklahoma.

(Left) — Here is the head of M F Bard, a son of Cromleybank Ben Lomond that sold in a former sale at Metz Farm. He is now in service in the great Luther K. Rice herd in Kentucky.

Terms and Conditions

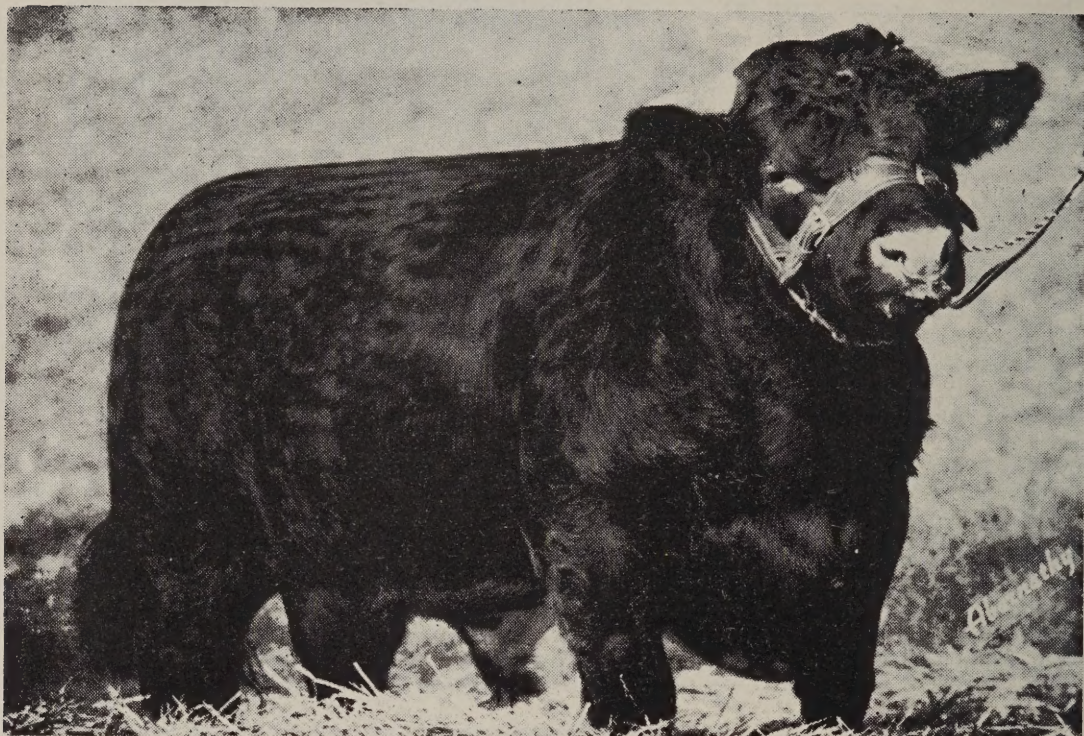

Health—The two herds participating in this sale are under Federal supervision for Tuberculosis. A 60 day retest for Tuberculosis will be allowed. Calfhood vaccination for Bang's is also practiced in both herds. Health certificates will be furnished that comply with the rigid health regulations of the State of Illinois.

Guarantee—All cattle will be sold under the standard guarantee adopted by the American Shorthorn Breeders' Association. This guarantee, printed in full elsewhere in this catalog, will form a contract between the buyer and seller of each lot. The sale manager was retained for sale promotion purposes only and is in no way responsible for the fulfillment of guarantees, the handling of the cattle or the condition of the premises. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Terms—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. Announcements made from the auction block take precedence over statements printed in this catalog.

Liability—The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

On this and following pages will be found descriptions of some

CROMLEYBANK BEN LOMOND, the famous imported son of Cruggleton Prince Bob that is owned jointly by Metz Farm and LoMar Farms. He traces directly to Cruggleton Perfect on both sides of his pedigree.

CROMLEYBANK BEN LOMOND -- was imported by L. E. Mathers and is owned jointly by Metz Farm and Black & Miller who purchased him at a cost of \$5,000 in the 1952 Leveldale Sale. He is a bull entirely worthy of his solid A. J. Marshall pedigree. He has proved an excellent sire of both bulls and females and his calves are making splendid records in the herds of all who have bought them.

of the famous herd Bulls that are responsible for this offering

LEVELDALE CAESAR, many times a grand champion for Leveldale Farms. He is a son of Elvin's Heir, one of the great sires at Metz Farm.

ELVIN'S HEIR, one of the great stock bulls at Metz Farm. Note his perfect A. J. Marshall pedigree printed below.

Herd Bull (Reference only)

ELVIN'S HEIR 2572784 LE M136

M F ENDEAVOR -- Junior herd bull at LoMar Farms. We purchased him in the 1956 Metz Sale. His first two calves have arrived and they look great to us. A number of the heifers by Cromleybank Ben Lomond in our consignment will carry his service and these line-bred calves are certain to be excellent.

A word about the Metz Invitational Sale

Annually, for several years, we have held an invitational sale at Metz Farm on the day following the annual Mathers Bros. sale. Although we changed the program for this year because of the large number from our own herd, we want the public to know that the Metz Invitational Sale will be held without interruption in future years. Our neighbor breeders in this area produce excellent Shorthorns, and we are proud to hold this sale annually at Metz Farm. See you in 1958 on the day following the Leveldale Sale.

M F MASTER BEN -- This is a full brother to M F Ben Royal, also selling in this sale. Although too young to sell to best advantage, this calf represents some of our best breeding. His dam is a great imported cow and we know the calf will develop into a good stock bull. Calfhood vaccinated.

Have you ever seen richer pedigrees than those that appear in this Catalog?

No catalog in years has contained pedigrees of greater strength than those presented here, and the cattle are just the kind you might expect from such rich, imported ancestry. On the following pages are to be found the pedigrees of the females that are to be sold. Those who buy females bred like these will produce better Shorthorns and will attract new attention to their herds. Buying in this sale is like buying directly from Scotland but without the terrific importing expense.

Lots of quality, plenty of character, in these Metz heifers. The heifer at the left is Mona Margaret Ann, Lot 10 in this sale. The other two heifers were sold in former sales, and are now owned respectively by Luther K. Rice, Paris, Ky., and the Brown-Forman Experimental Farm, Frankfort, Ky.

Lot 10 Female

MONA MARGARET ANN 2850-057 LE TM 345

MONA MARGARET ANN -- Here is a 3-in-1 Marshall arrangement that you can't possibly duplicate. We should be keeping this heifer but we are retaining her dam and maternal grandam so we feel that we can spare her. She is the right kind in every respect and it would be very difficult to write a better A. J. Marshall pedigree. She sells in this sale with a red bull calf at foot born June 24, 1957, and sired by Thruliner. She has been mated again to Elvin's Heir.

CALROSSIE PRINCESS FAIRY - We don't like to sell all of our imported cows but so much of our herd is made up of imported bloodlines that we cannot keep them all. We are keeping a granddaughter of this cow, and you will find that we are selling two daughters and a granddaughter in this sale. This cow was imported by Les Mathers, and you can see that she has been an excellent producer for us. She sells with a good bull calf at side, and will be mated again by sale time. Here's a great 3-in-1 combination of the strongest Calrossie breeding.

GOLDIE BETH M -- If we were going to keep more cattle, both this young cow and her daughter would not be offered for sale. The imported dam is being retained and the top bull and female in last year's invitational sale were out of her, selling respectively to Sherman Kessler and Les Mathers. Here's a great pedigree and a grand young cow safe in calf since May 11 to M F Ben Lomond. Vaccinated.

M F SOVEREIGN, an excellent son of Cromleybank Ben Lomond that was purchased in our 1956 sale at \$1010 by W. C. Kessler & Sons, New Ross, Indiana. His dam, Calrossie Glory Beth, is the dam of Lot 23, and the grandam of Lot 24 in this sale.

Lot 24 Female

GOLDIE BETH ANN 2930-749 LE TM 408

RED MAUD M -- A good producing young cow by Attila, he an imported grandson of the great Aldie Conqueror. Her 1954 heifer sold in the 1955 Invitational Sale to White Plains Farm in South Carolina. She was bred July 19 to M F Ben Lomond. Vaccinated.

(Left)

HULDA HESTER, purchased by White Plains Farm, Mountville, South Carolina, at \$1100 in the 1955 Metz sale. Mr. C. D. Bevis, owner of White Plains Farm, bought a bull and 14 females in the 1955 sale.

(Right)

ELIZAM 2d, another of the sweet heifers purchased by White Plains Farm at \$1225 in our 1955 sale. She is a daughter of Thruliner, and her grandam is an imported cow by Calrossie High Finance.

LOMAR FAVORITE, a typical production of the LoMar herd owned by Black & Miller. This bull was purchased at private treaty by W. D. Poston of Tennessee at \$4500. He is by the International grand champion Kelburn Banker Royal. His get have piled up many show records for Dr. Poston.

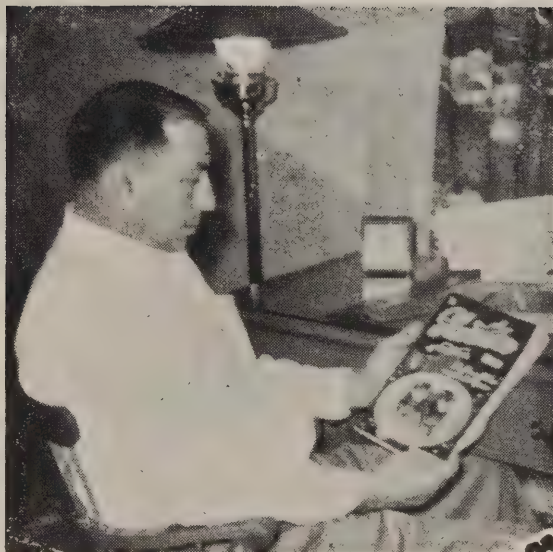

The LoMar type is the right type

(Left)

LOMAR MARIGOLD, a typical daughter of Cromleybank Ben Lo-mond, produced in the strong LoMar herd owned by Black & Miller. This sale will contain many daughters of this famous sire.

Relaxing in his den with his favorite magazine, *The Shorthorn World*, is Alf Miller, a real breeder—booster and co-owner of LoMar Farms, Sharpsburg, Illinois.

The LoMar Consignment

Alfred Miller is one of the best cattlemen I know, and the fifteen females he is selling in this sale from the strong LoMar Herd are just the kind you would expect from a top cattleman. Descended from the family of Jos. Miller Sons, Granger, Missouri, famous in the Shorthorn showing during the first third of this century, Alfred graduated to the managership of the noted Haylands Herd. Later he became a partner in the firm of Black & Miller, and the widely known LoMar Herd was established. Shorthorns from LoMar may be found in many herds in many states and they are always among the tops. On the following pages you will find the LoMar consignment to this sale. You may buy them with confidence.

Hal Longley of The Shorthorn World

LoMAR LUSTRE LAVENDER 2d -- All of these good heifers by Cromleybank Ben Lomond would have been held for herd replacement except for the fact that our main barn burned to the ground and the size of the herd must be reduced. She sells open.

Here are the people who have patronized the sales at Metz Farm. We thank them all and wish them success with the cattle they purchased here. It is our hope that your name may be included following the sale on November 5th. Please note that breeders from thirteen states are represented in this list of buyers ... convincing proof that the cattle in former sales have been appreciated.

Standard Guarantee

of

American Shorthorn

Breeders Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
